

U.S. Chamber Presents Moran with

Annual Spirit of Enterprise Award

Moran Recognized for Pro-Business Record

WASHINGTON, D.C. - The U.S. Chamber of Commerce presented Congressman Jerry Moran with the Spirit of Enterprise Award this week for his pro-business record during the first session of the 111th Congress.

“The Chamber applauds Representative Moran for supporting the private sector and job growth through these difficult times,” said Thomas J. Donohue, president and CEO of the U.S. Chamber. “He has demonstrated great courage and we commend him.”

Eligibility for the award is based on how Members of Congress vote on key business issues. The Chamber scored Congress on 7 Senate and 15 House votes in 2009. Those members of

Congress who support the Chamber's position on at least 70% of those votes receive the award.

The U.S. Chamber of Commerce is the world's largest business federation representing more than 3 million businesses of every size, sector, and region.

Moran has received the Spirit of Enterprise Award multiple times for his longstanding commitment to Kansas businesses.
